## Talon Accessories Available as of April 8, 2019

Attn: Parts Manager

Thank you to the dealers that took advantage of the Talon Accessory Initial Stocking Order program. We are continuing to fulfill those orders during April, as originally scheduled. We are also pleased to announce additional accessories marked with an "\*" that are now available for open order. Some accessories will go into a backorder or forward release based on the release status shown. Dealer updates will be provided based on new release status information.
